Shelter Harbor Marina

Marina Health Notice

Last evening, 7-8-20, we were notified that a guest of a C-Dock slip holder tested positive for COVID-19. This guest was at the Marina the week of June 22. Unknown arrival date but departed the morning of Thursday June 25th. This guest would have been in a Minor / Young Adolescent social circle during this time and not from LBI or the Marina.

This serves as the 1st reported case known to-date. This also serves as a serious reminder to.

1. Keep your Social Distance.
2. Wear a Mask when Social Distancing is difficult (i.e. Transiting the dock walk ways and always in the Marina office and Lavatories).
3. Know your social circles and keep them tight.
4. Maintain hand sanitizers on your boat and use the sanitizing machines when entering and exiting the lavatories.
5. Any low-grade fever, persistent cough or malaise please stay home !!!
6. See something, say something. We can all be reminded.

We are all in this together and the health of our Marina friends and family is our top priority

Stay Well.
